

Journey Song

CHORUS

There are things that bite / sting / howl / scream
There are things that have thorns / are hairy / are big / are scary
So let's ALL STICK TOGETHER

We're going through a field of whisper lights
and they float really high
as they turn bright white
yes, we're going through a field of whisper lights
but what they have to say to us isn't very nice
they go PSSST PSSST FSSSSST!

CHORUS

Now we're coming to the place where the wind gets WILD
and the river goes backwards for miles and miles
it flows up the mountain and then who knows
nobody's ever figured out where it goes
it says SHWOOOSH WOOOSH WOOOOSH!

CHORUS

Now we're in the land where the plants have mouths
and they'll eat you in a second, they won't ask if they're allowed
so don't you linger and don't look back
unless you want to be devoured as a tasty SNACK
they go CHOMP CHOMP CHOMP
